

## **AICRPAM-NICRA Annual Review meeting-cum-Farmers' interactive session at ICAR-CRIDA, Hyderabad, during April 27-29 2016**

At ICAR-CRIDA, All India Coordinated Research Project on Agrometeorology (AICRPAM) has conducted Annual Review meeting of the AICRPAM-NICRA-cum-Farmer's Initiative from 27 to 29 April 2016. The Annual Review meeting of AICRPAM-NICRA was inaugurated by Dr. Ch. Srinivasa Rao, Director, ICAR-CRIDA. In the review meeting all the 25 centers of the project presented the progress of the technical program executed on items like climatic characterization of NICRA district chosen by each centre, case study of the Agromet advisories issued in NICRA village and impact of the agromet advisory services. Besides Chairman, Srinivasa Rao agrometeorologists viz., Drs. Y. S. Ramakrishna, GGSN. Rao, NVK Chakrovarty and GSLHV Prasada Rao chaired different technical sessions and contributed for improving the progress of implementation of the project by giving their valuable advice and passing critical comments.

Highlight of the Annual Review meeting is the farmer's interactive session in which eight farmers from Andhra Pradesh, Orissa, Karnataka, Kerala and Maharashtra participated and gave their feedback on Agromet Advisory-Services (AAS) provided by the centres.
